

Hear them roar at The Shelter

As Tall As Lions rock to 'drum and bass oriented' rhythm

Q&A WITH NICK BRANDON

Rooted in the strong indie-rock scene of Long Island, NY, **As Tall As Lions** comes roaring with a fresh, smart sound — a unique style with great promise.

Featuring Daniel Nigro (vocals/guitar/piano), Saen Fitzgerald (guitar), bassist Julio Tavares and drummer Cliff Sarcona, the quartet's eponymous sophomore effort, released Aug. 8 on East West Records, follows the impressive 2003 premiere *Lafcadio*. Produced by Mike Watts and Steven Haigler (Brand New, The Pixies, Quicksand) ATAL's new works are thoughtful and tuneful, yet rhythmically exploratory.

As Tall as Lions plays The Shelter in Detroit Aug. 23 — Nick Brandon spoke with Nigro to preview the group's mighty return to Detroit.
