## **WE ARE THE FURY**

**HOMETOWN** Toledo, Ohio  
**WHO** They dress like Panic! at the Disco, but this five-piece mixes the arena-rock bombast of Queen with the swagger of T. Rex. Still, there is one very emo thing about these dudes: They live with their parents. "I love my mom's cooking," says guitarist Chris Hatfield. "Even though we're not in school, I feel like I need to sneak inside when I've been out drinking."  
**HEAR IT** Their debut, *Venus*, is out now.
