## MUSIC REVIEWS **SOUNDSCAPE**

### **ALL TIME LOW**

#### **"So Wrong, It's Right" CD**

*So Wrong, It's Right* continues the trend of ALL TIME LOW's EP, but waters the formula down a bit in the process. While it's still some solid pop-punk influenced by the likes of mid-career BLINK-182, the songwriting doesn't seem quite as high-quality when spread over a full-length. Still, some of the better pop-punk out there today for those that wonder where that era's sound has gone. (WMJ)
