Secondhand Serenade: Artist On the Rise!

Seventeen Magazine 1 L After months of slowly gaining support on the Web, Secondhand Serenade is ready for stardom! The singer's brand of melodic pop-rock struck a chord last year with his debut album, *Awake*. Armed with songs as catchy as they are soulful, Secondhand Serenade has spent the year enjoying millions of Myspace hits and being compared to Plain White T's and All-American Rejects -- both of which he toured with! <p> Secondhand Serenade (real name: John Vesely) is set for a smash hit with his new album, *A Twist In My Story*, out February 5th on Glassnote Records. Featuring solid storytelling and a fuller sound, the disc should find Secondhand Serenade a whole new audience, while staying true to the diehard fans! Want to learn more and preview some tracks? Click here now! </p><p> What do you expect of the new album? Is Secondhand Serenade the next Dashboard Confessional? </p>
