28/05/2008

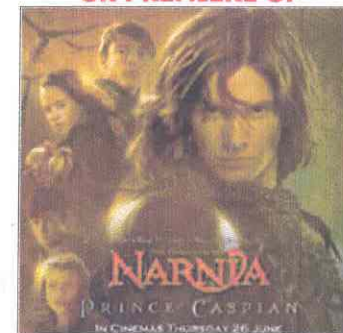

On 2nd June 2008, Broadway Calls release their self-titled album through Adeline Records [co-owned by Billie Joe Armstrong of Green Day]. This label knows a thing or two about amazing pop-punk and 'Broadway Calls' is a shining example of how punk should sound, resonating with relentless energy and passion. Even

more impressive is the lasting power of the album, as it remains as intense, bright and memorable on the hundredth spin as it did on the first. Following constant touring in the US, the band finally come to the UK, appearing at this year's Give It A Name festival and supporting All Time Low and Cobra Starship in May.

Broadway Calls is Josh Baird (drums), Ty Vaughn (vocals, guitar) and
