

**SOPHIE BROWN**  
17, LADBROKE GROVE

"I think the line-up of this festival is a lot less hardcore than it used to be. It's got much more mellow. I'm having an okay time but I preferred it in the past."

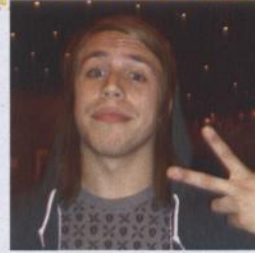

**JOSH FARRO**  
PARAMORE

"It all went by really fast but it was amazing. The last time we played Give It A Name, we were on the side stage and now we headlined. We had a blast. The entire time, I was like, 'Whoa... sweet!'"

**MITCH STEVENS**  
17, PORTSMOUTH

"The highlight of my day will be seeing Finch. They've been away for ages and it's gonna be great to see them again."

**DANNY STEVENS**  
THE AUDITION

"I jumped in and my shirt got ripped off and my pants were around my ankles! The crowd was crazy and I felt at ease in front of so many people. Not so much when my pants got pulled down, though."

**MARCUS KRAMER**  
15, HORSHAM

"The day's been really good for me. I've particularly enjoyed Chiodos. They're exactly my type of music."

**JOSH FRANCESCHI**  
YOU ME AT SIX

"Sheffield was great. We didn't know what to expect but it seemed like the whole place was jumping up and down at one point. We got to hang out with The Blackout. It was awesome."

**FI DAVIS**  
20, GRAVESEND

"Today's all about Alkaline Trio for me. I've been into them since I was 14 and I just think they're great. They're the band I really want to see."

**JACK BARAKAT**  
ALL TIME LOW

"Today was amazing! The kids were moshing and getting down. Girls were showing their boobies! We had an awesome time and got to do a Kerrang! Podcast, too. That was the best."

**PATRICIA CARROLL**  
22, GIBRALTAR

"This is my third year of travelling over from Gibraltar to see GIAN, so it's become something of a yearly tradition. I'm determined to have a great time."

**DEREK SANDERS**  
MAYDAY PARADE

"There were tons of kids singing along which was awesome for our first time over here. I wasn't too nervous, actually. I was more excited than anything. It was a great day and a lot of fun!"

**LORRIANE GARD**  
32, WOKING

"Paramore are the band I've mainly come to see, but I just saw My American Heart and they were great. But I think Paramore will be great. I love their lyrics."

**TY VAUGHN**  
BROADWAY CALLS

"Earl's Court was the biggest show we'd ever played. Being onstage in front of all those people was overwhelming. It was our first show overseas, and it was great."

**MIKE PUGH**  
30, FARNBOROUGH

"Usually I only go to small gigs, bands like Fightstar, so this one is a bit vast in comparison. But it's really good. I'm looking forward to seeing Paramore."

**LARRY SOLIMAN**  
MY AMERICAN HEART

"That was the best show we've ever played in London. I had the biggest butterflies before I went onstage today. They disappeared after the first song and I really got into it."

**LEAH DELGADO**  
22, BIRMINGHAM

"My day has been pretty good but to be honest I've spent most of it in the pub. I'm here for Paramore, they're excellent."
