

## Sevendust brings metal maturity to the DECC

Heartfelt metal: Is it impossible? Sevendust, in its maturer years, is a metal band with lyrics that actually matter. The band plays the DECC's Pioneer Hall on Tuesday, with guests Black Stone Cherry, Neverset and Overscene.

The headliners' lineup has changed a bit. Sevendust is now John Connelly and Sonny Mayo on guitars, Vince Hornsby on bass, Morgan Rose on drums and lead singer LaJon Witherspoon. Their album "Alpha," released in March to good reviews, meets the standards of Sevendust's best work.

Doors open at 6 p.m. and music starts at 7 p.m. Advance tickets are \$24; on the day of the show they're \$26. Go to the DECC box office or call Ticketmaster at 727-2121 or go to [www.ticketmaster.com](http://www.ticketmaster.com).
