*Wires... And The
Concept of Breathing*

(TRAGIC HERO; tragicherecords.net)

WHEN: June 10

Lodi, California, screamo outfit A Skylit Drive almost lost the plot after parting with singer Jordan Blake. "A lot of fans [get into the mindset] where a band's new singer is never as good as the old guy," posits new frontman Michael "Jag" Jagmin, "In March, we posted one of our new songs on a PureVolume page, and we were number one [on the site] for weeks." Jagmin admits he never expected that nice a welcome, but says he is looking forward to earning the accolades during the band's heavy touring schedule. "I would hope fans would find something in our music they could relate to."
