

## ATMOSPHERE

*WHEN LIFE GIVES YOU LEMONS, YOU PAINT THAT SH\*T GOLD* (RHYMESAYERS)

MAR 18

Fresh off *Sad Clown Bad Winter 11*, the latest EP in their clown 'n' seasons series, Atmosphere are releasing their first full-length since 2005's *You Can't Imagine How Much Fun We're Having*. The Minneapolis duo's rhymes, beats and subject matter on *When Life Gives You Lemons...* are classic Ant

and Slug—once again proving you don't have to be an ex-crack dealer to produce a (good) hip-hop album.
