QUICK DRAWS WITH 19 BANDS BY LIZ VAN PÄY IN THE MIDST OF TUMBLEWEEDS AND SANDSTORMS, OTHERWISE KNOWN AS THE WONKA VISION OFFICE, WV PRESENTS A BONANZA OF BOUNTY-LADEN INTERVIEWS WITH SOME OF OUR FAVORITE NEW & OLD BANDITS (AHEM...BANDS).

EVERY AVENUE

Label: Fearless [fearlessrecords.com] **On the agenda:** "We are currently touring the nation promoting our recent release, Shh... Just Go With It. We will be touring this spring with The Audition and then heading to Japan before playing this summer on the Vans Warped Tour." **Favorite place to play:** "We really like to play at the School of Rock in South Hackensack, NJ. We also love playing in Vermont, Michigan, and Mojoes Coffee House in Chicago." **Favorite city-to-city activity:** "We love eating any place that has a dollar menu or at the Texas Roadhouse. We spend a lot of time in our van traveling from city to city, so we love to go to the movies, mall, or local town hotspot whenever we can." **Actual MySpace comment:** "Chinchilla!" **In their own words:** "We are a bunch of awesome dudes! Come hang out with us when we come through your town. Our shows are crazy, and our fans are the best." **Liz's take:** A poppy, fun band, but do Cartel know that Every Avenue abducted their lead singer? They sound a little too similar.
