NEVER SHOUT NEVER

WHAT IS LOVE? (LOVEWAY RECORDS/SIRE)

Acoustic emo act Never Shout Never, a.k.a. nineteen-year-old Missouri-native turned MySpace success story Christofer Drew, has racked up millions of hits since he started posting his tunes online in 2007. His anticipated full-length—teeming with wistful melodies and quirky instruments like ukulele and accordion—is worth the wait. Standouts include folksy track “What Is Love?” sunny confection “California,” and love song “Jane Doe.”
