1. I love big dill pickles (that doesn't sound good).
2. I'm a flosser.
3. I love coconut water.
4. I only wear Muppet socks and colored boxer briefs.
5. I play classic rock songs like "Sympathy for the Devil" before I go on stage.
6. I love taking my wife to Disney World. We even honeymooned there and slept in Cinderella's castle.
7. Growing up, I had a mullet.
8. I would give up singing to be a hockey player.
9. I even do hockey commentary on sports radio.
10. As a teen, I had both ears pierced and listened to Guns N' Roses and AC/DC.
11. I sleep with a T-shirt over my head to keep the light out.
12. **Dave Barry** is my favorite writer.

13. My go-to food is Old El Paso tacos.
14. I love redheads — and one Argentinean blonde [his wife, actress **Luisana Lopilato**].
15. I'm not a fan of children's charities. Kidding!
16. I love the TV show *An Idiot Abroad*.
17. I wish I could meet **Christoph Waltz**.
18. When I'm at dinner with friends, I often order everything on the menu for the table.

19. I think Slurpees are the greatest invention since insulin.
20. My favorite movie is *The Princess Bride*.
21. I've never watched myself on TV after a performance.
22. I only wear clothes by DSquared. I have no deal with them — I just love all their stuff!
23. I've never taken a drink or any other substance before a show.
24. I hate using in-ear monitors.
25. I met the queen of England, but I freaked out more when I met Oscar the Grouch!

## TMI OF THE WEEK

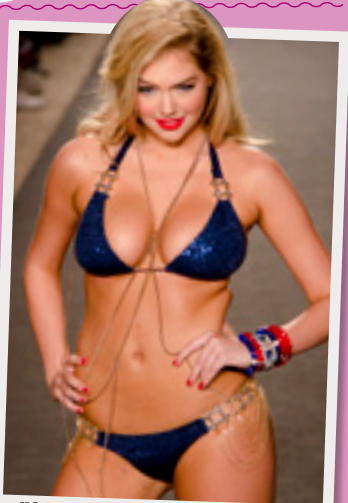

**F**ORGET BEVERLY HILLS, 90210's Brenda-Dylan-Kelly love triangle. **Carol Potter**, a.k.a. Brenda's mom, Cindy Walsh, says *she's* the one who had a thing for **Luke Perry**! "[We] had a bit of a flirtation," the 65-year-old actress told *omg! Insider* of the star, 47, who played bad boy Dylan. "Luke was hot!"

Both Potter and Perry got married during 90210's run.

## Kate Fights Back!

**K**ATE UPTON IS FED UP with online bullies who call her fat. "You're like, 'Is there something wrong with me?'" the curvy 5-foot-10 model, 20, tells June's *Vogue*. "[But] the things that they're rejecting are things I can't change." A source tells *Us* Upton tunes out the haters: "She's extremely secure."

"I love my body!" she says.
