March, 31st 2014 - (Burbank, CA.) – [THE FLAMING LIPS](#) new digital release, **FLAMING SIDE OF THE MOON** is live now in digital form. Click [here](#) to listen to excerpt.

Designed as an immersive companion piece to the original 1973 album, **DARK SIDE OF THE MOON**, listeners are encouraged to listen to the new **LIPS** album while listening to **DARK SIDE** at the same time. **FLAMING SIDE OF THE MOON** was also carefully crafted to sync up perfectly with the 1939 film, **THE WIZARD OF OZ**. For ideal listening conditions, fans are encouraged to seek out the original Alan Parsons' engineered quadraphonic LP mix of **DARK SIDE**, but it will work with the album on any format. Available now through all participating digital outlets.

As previously announced, a strictly limited edition 100 vinyl copies will be distributed to friends and family of **THE FLAMING LIPS**.

Much more **LIPS** information to be announced soon:
