MASTODON ROCKS BONNAROO FESTIVAL 2014

April 29, 2014 — Burbank, CA — Heavy rock icons [Mastodon](#), has announced details about their upcoming new album, their first since 2011's *The Hunter*. The band's sixth album will be called *Once More 'Round The Sun* and will be released by Reprise Records on June 24th. It was recorded in Nashville with Grammy Award-winning producer [Nick Raskulinecz](#), who is known for his work with Rush, Deftones, Foo Fighters, and Alice In Chains.

The album's hard-hitting first single is "High Road," which will be released digitally on April 29th, the same day a pre-order for *Once More 'Round The Sun* launches at all participating digital retailers. Click [here](#) to pre-order. All pre-orders will instantly receive a digital download of "High Road."

Also available on June 24th, will be a stunning Deluxe 2LP Vinyl Edition of *Once More 'Round The Sun*. This limited edition will include two discs pressed onto 180g black vinyl housed in a quadruple gatefold vinyl jacket featuring artwork by renown American artist [Skinner](#), plus a CD of the complete album. The package will include four exclusive lithographs derived from the album artwork. Click [here](#) to explore the amazing album artwork. For more info on **Skinner**, see below.

Those who pre-order the Deluxe Vinyl Edition will be entitled to bonus digital content: An instant download of “**High Road**,” plus another album track (to be determined) delivered digitally prior to street date, and a download of the entire album delivered digitally on street date. This one-time-only package will be available exclusively through www.mastodonrocks.com. Don't delay, as these will sell out quickly. Click [here](#) to view the Deluxe 2LP Vinyl Edition

The album is the follow-up to **Mastodon's** critically acclaimed album **The Hunter**, which entered the *Billboard* Top 200 Album chart in the Top 10 and found its way onto several Year End/Best Of critics' lists, including *Rolling Stone*, *Spin*, *Revolver*, *Decibel* and many others in the U.S. In the U.K., **The Hunter**, dominated all “Album Of The Year” charts including *Metal Hammer*, *Kerrang*, *Terrorizer*, *Classic Rock*, *Total Guitar*, *Trash Hits* and *Rock Sound Magazines* simultaneously.

In February, **Mastodon** announced a headlining spring tour with support from **Gojira** and **Kvelertak**. The tour has already kicked off yesterday, April 28th in Seattle and will crisscross the U.S. before culminating in performances at the [Rock On The Range Festival](#) on May 18th, and the mighty [Bonnaroo Festival](#) on June 13th, where Mastodon will take the stage as one the evenings headliners at midnight. Please see below for all confirmed tour dates.

ABOUT SKINNER:

Skinner is a self-taught artist living in Oakland, California who has meticulously crafted a balance of extraordinary mural work, bizarre and antagonistic installations while maintaining a prolific commercial career. Influenced by 80's pop culture, human struggle, myths and violence, dungeons and dragons and the heavy metal gods, Skinner's mind is one of psycho social mayhem fueled by a calculated chaos. His work has been shown all over the world in various museums, universities and galleries. He has been an ambassador of the alternative arts movement in countries ranging from Russia, Cuba, Japan, Europe and all across the United States. Pay him a visit and see the chaos in action.
