March 31<sup>st</sup>, 2014 — (Burbank, CA.) — [The Flaming Lips](#) frontman **Wayne Coyne** has announced three west coast stops on his “Record Store Tour,” beginning today in Long Beach, CA., during which he is meeting and greeting fans and signing copies of **THE LIPS** first-ever EP, ***The Flaming Lips 1<sup>st</sup> EP***. See below for all of Coyne’s upcoming tour stops.

Wayne will be selling an extremely Limited Edition version of the EP which is housed with a hand-crafted, custom-made solid white chocolate skull. Each skull contains a special Gold Coin that is redeemable as admission to any headline show by **THE FLAMING LIPS** in the world.

As previously announced, this product *still* contains quite a substantial amount of high-quality, gourmet white chocolate accompanied by the main course: A generous earful of the very earliest music created by **THE FLAMING LIPS** in their original incarnation and pressed onto color vinyl. A

feast for the senses, we're pretty sure you'll find this exclusive item delicious and satisfying on every level.

**The Flaming Lips 1<sup>st</sup> EP** will be available as a limited edition 12-inch on green vinyl and signed by Coyne. The last time this recording was available on vinyl was in 1986. It was originally recorded in two sessions at Benson Sound in 1984 and released on the group's homemade label Lovely Sorts of Death Records. This edition has been remastered by **LIPS** bassist **Michael Ivins** and given a reimagined cover by freak artist [Charlie Immer](#).
