"Am I Wrong"

Norwegian duo Nico & Vinz bring "Am I Wrong," their already world-conquering collection of rhetorical questions, to the United States, with the dancehall-inspired song recently turning into the pair's Billboard Hot 100 debut. The pair approach lines like "Am I wrong/For trying to reach the things that I can't see?" with dead-eyed earnestness, but the slide guitar and backing harmonies keep the song an airy affair. —J.L.
