5 THINGS I'M LOVING THIS MONTH (THAT AREN'T ON TV)

#1

ANSEL ELGORT IN *THE FAULT IN OUR STARS* FILM Those broody eyes at left? He's *exactly* how we pictured Augustus Waters in the YA novel.

#2

LILY ALLEN'S NEW ALBUM, *SHEEZUS* No disrespect to Kanye, but bouncy tracks like "L8 CMMR" have me way more into *Sheezus* than *Yeezus*.

#3

JENNIFER WEINER'S *ALL FALL DOWN* The everymom heroine in this novel becomes a hard-core pill addict—and it's impossible to look away.

#4

UNINSPIRED Of all the lady-life comedy series out there, Becky Yamamoto's Web series makes me laugh the hardest. YouTube it!

#5

MICHELLE WILLIAMS IN *CABARET* I'm happy because at the end of *Dawson's*, I wanted Jen to become a Broadway It Girl, not *die*. Vindication!
