

JENNY LEWIS REVEALS SECOND SONG FROM *THE VOYAGER*

ADDITIONAL AUGUST TOUR DATES ADDED

THE VOYAGER OUT JULY 29TH

July 8, 2014 - Burbank, CA - Singer songwriter Jenny Lewis has released the title track off of her forthcoming LP, *The Voyager*. Lewis has also added new August dates to her tour, which began Sunday in Toronto and continues through the end of October.

Listen to "The Voyager" here:

Her third solo album, *The Voyager* has been described as "her best solo effort to date" by *American Songwriter* and will be released on Warner Bros. Records on July 29th. The first single, "[Just One Of The Guys](#)," was labeled a "breezy, catchy single about not fitting in with the boys' club" by *Rolling Stone* and is available as an instant download if you [pre-order the album](#).
