No. 8 Taylor Berrett, *Great Falls*

Breakout Berrett thrills with a tuneful debut

MUSIC POP Berrett's honest lyrics bring to mind *another* singer-songwriter named Taylor. Like chart topper Swift, the 22-year-old newcomer wears his heart on his sleeve on *Great Falls*. Look no

further than the acoustic standout "Hypnotize Me." With its sincere confessions—"I've walked this road alone, Dear / And I used to think it made me free / But if letting love stay makes a man a slave, come on, Darling won't you hypnotize me?"—his debut will have listeners falling hard.
