No. **6** **Jason Derulo,**  
***Everything Is 4***

**MUSIC**

POP Derulo's fourth LP has a little bit of what its title promises—everything. *Thriller*-era MJ nods (“Want to Want Me”) are sprinkled in with twerk-tastic club jams (“Pull-Up”). Derulo's not stingy about guest artists, either: JLo, Stevie Wonder and, on the hooky “Painkiller,” the never-enough Meghan Trainor. (June 2)
