## JASON DERULO'S BACHELOR PAD

THE SINGER'S HOME FEATURES MODERN AND VINTAGE TOUCHES. AND YES, A SUIT OF ARMOR

**J**ason Derulo spends a lot of his time on the road, so he decided to make his Tarzana, Calif., home base “an oasis filled with the things I love,” he explains. “I really wanted to create somewhere that I did not ever have to leave, so there’s everything from a basketball court to a movie theater.” The “Naked” singer, 29, purchased the nine-bedroom, five-bathroom compound (composed of four buildings) last year and is now in the final stages of a major renovation. dating model Daphne Joy—was initially drawn to the main house’s castlelike exterior but needed to modernize the interior, which meant gutting nearly every room. “I wanted to juxtapose the old and the new,” he says. One notable addition? The revamped entryway, which features a life-size suit of armor and a red carpet inspired by the W Hotel Hollywood. “The red carpet leading up to my room signifies the life that I’ve always wanted—the red carpet lifestyle.” His taste for luxury extends all the way to the master bathroom, which includes a massive tub and a full bar. “Wherever you are in the house, you should be able to have what you want,” he explains. “And my mom always used to say, ‘Women like nice bathrooms.’ So I had to make sure mine was superfly!” —GABRIELLE OLYA

**SLEEK CUSTOM CLOSET**

“There had to be a lot of space for shoes,” says Derulo, who admits he doesn’t know how many pairs he owns. But he adds, “That closet is still not big enough for all the stuff that I have!”
