June 20, 2016 — (Burbank, CA) — To celebrate their upcoming *sold-out* hometown show at Nashville's prestigious Ryman Auditorium on June 25<sup>th</sup>, [The Wild Feathers](#) will perform an intimate acoustic set and signing at [Grimeys](#) Records, 1604 8th Ave. South, on June 23<sup>rd</sup>. The show, which begins at 6 pm, is a special *Thank You* to their loyal fans who have always been supportive. The upcoming show at the Ryman will feature songs from both of their Warner Bros. Records albums, ***LONELY IS A LIFETIME*** and their 2013 self-titled debut, along plenty of surprises in store for the final night of their current US tour before they depart for Australia.

Clearly excited about both events, **The Wild Feathers** have said: "*We are thrilled that Mike Grimes is letting us do an in-store performance at Grimey's a couple days before the Ryman show. If you live in Nashville, you know that The Ryman Auditorium and Grimey's record store are the city's two greatest musical institutions. It's an honor to play both places.*"

**The Wild Feathers'** acclaimed album, ***LONELY IS A LIFETIME***, is out now and continues to command critical praise:

"The Wild Feathers boast three formidable songwriters and four singers, in the tradition of great 60's. and '70's hydraheaded acts like Crosby Still, Nash & Young and Fleetwood Mac. While each Feathers vocalist and writer remains distinct in timbre and sensibility, they meld with surprising consistency. There's no frontman here – just *frontmen*, creating an unbreakable showing of brotherly force." – **Relix Magazine**

“With three singers, its easy to draw vocal comparisons to Crosby, Stills & Nash, while the electric guitar work reminds one of Neil Young and Pink Floyd.” -- **USA Today**

“True music fan know the greatest joy in life is discovering a new band that touches and moves you as much as your classic rock favorites. That is what is so exciting about The Wild Feathers, a band with a fresh sound and style.” – **The Washington Times**
