Lukas Forchhammer, 27 — the voice behind Danish band Lukas Graham's hit "7 Years" — gives *Us* his numbers

1

HALLELUJAH I LOVE HER SO / RAY CHARLES

"It's the song that always makes the whole band happy. If it doesn't put a smile on your face, there's something seriously wrong with you!"

2

LUCHINI (AKA THIS IS IT) / CAMP LO

"One of the most banging rap songs from the '90s. We play it as close to arriving at each venue as possible to get everyone in the right mood."

3

BUY ME A BOAT / CHRIS JANSON

"Bus sing-alongs are so much cozier when we do this one. David LaBrel, the engineer of our last album, introduced us to it. Thanks, Dave!"

4

F--K YOU / DR. DRE

"*The Chronic 2001* is one of our favorite albums. There's never a time on the road when you don't feel like hearing this. I know every word."

5

ALL ALONG THE WATCHTOWER / JIMI HENDRIX

"It's a goody from back when rock music was truly rock 'n' roll! We ideally like to hear it right after a show, still on a high while driving away."
