Sep 6, 2016 - (Burbank, CA) - [Gary Clark Jr.](#) has announced additional dates to his current tour. Billed as "**A Very Special Evening With Gary Clark Jr.**," the December shows feature the singer, songwriter, and guitarist performing in a rare, solo setting at The Paramount Theater in Austin, and at Carnegie Hall in New York City. These special happenings showcase a very different side of Clark's oeuvre. The nuance of Clark's solo performances is no less powerful and soulful than the flash of the full electric experience but with a completely different set of sonic textures --subtle and gritty-- yet deeply personal and intimate and not to be missed. Please see below for dates.

As previously announced, Clark's original new song, "**Take Me Down**," will be featured in the upcoming film [Deepwater Horizon](#) from Lionsgate's Summit Entertainment, as well as on the movie's original soundtrack titled, **Deepwater Horizon Original Motion Picture Soundtrack - Music by Steve Jablonsky Featuring an Original Song by Gary Clark Jr.**, which will be released by Warner Bros.
