December 16, 2016 (Burbank, CA) — Today [THE FLAMING LIPS](#) release a new song and video — “**Sunrise (Eyes Of The Young)**” — from their upcoming album *OCZY MLODY*, which will be released via Warner Bros. Records on January 13, 2017. “**Sunrise (Eyes Of The Young)**” is now available as an instant download to fans who pre-order the digital format of the album from [iTunes](#) or [Amazon](#) or any format from the [band’s official website](#). Watch the video for “**Sunrise (Eyes Of The Young)**” [HERE](#).

Wayne Coyne explains, “The ‘**Sunrise (Eyes Of The Young)**’ video is part somber and sad and part childlike, ethereal fantasy. Myself and the band (Well... Ha... Some of the band) are lip syncing and play pretending in a scene out of perhaps the spaghetti western, *The Good, The Bad and The Ugly*... Ha. We are all looking serious and melancholy in what is maybe a church balcony at sunrise. The other part, the ethereal fantasy part, is Disney cartoon meets James Bond movie title sequence. The sun turns into a bouncy, drippy ball and is kicked around (and played with) by a giddy, cosmic nymph. Dancing and tripping in the echoes of dawn...”

Once again, **Wayne** will host another Facebook live chat **today at 10:00AM PST/ 1:00pm EST**. Go to www.facebook.com/FlamingLips to hear more about the video.

OCZY MLODY will be the band’s 17th studio album and released in several configurations: 12-song CD, 12-song digital album, 12-song double-LP vinyl edition pressed on colored vinyl, and an 11-song single-LP vinyl edition. Both vinyl versions include a digital download card of all 12 songs.
