Releasing via DCD2 Records/Warner Bros. Records, DCD2 founder and Fall Out Boy bassist/lyricist Pete Wentz says, "At its core, DCD2 Records has been a collective, or for better or worse a gang that has first and foremost been about inclusion. If you don't fit in anywhere else then that means you definitely belong amongst us. I'm so stoked to be a part of sharing New Politics' "One of Us" with the world - we can always use another anthem for the outsiders." New Politics adds, "This song represents friendship, love and unity. And we hope all of you can connect with it too. Enjoy and remember 'you're not alone, you're one of us.'"

New Politics - consisting of Danish-born, Brooklyn-based **David Boyd** [lead vocals, guitar] and **Søren Hansen** [bass, guitar, keys, programming], as well as NY native **Louis Vecchio** [drums] - exploded onto the scene with their smash hit "**Harlem**," earning over 29 million Spotify streams and reaching the top 5 of alternative radio.
