Three of the tracks, "North Side Star," "Blue Walsh," and "Cold Dark Place," were recorded during the sessions for Mastodon's 2014 album *Once More 'Round The Sun* and were produced by Nick Raskulinecz. A fourth track, "Toe to Toes," was recorded during the sessions for the band's most recent album, 2016's *Emperor of Sand*, and was produced by Brendan O'Brien. Those who pre-order *Cold Dark Place* will receive an instant download of the track "Toe to Toes," on September 1.

Also, next month Mastodon will appear on the cover of the newly relaunched [Revolver Magazine](#). The issue, which hits newsstands on September 12, will be available with four different covers, each featuring a member of Mastodon. When all four covers are placed together side by side, a single image of the full band, which is Brann Dailor, Brent Hinds, Bill Kelliher, and Troy Sanders, is created. Click [here](#) to view all four covers. As an added bonus, *Revolver* subscribers will receive an exclusive and very limited-edition 7" vinyl single with their paid order. The A-side is the version of "Toe To Toes" that appears on *Cold Dark Place*, and the B-side is a previously unreleased instrumental version of the track. The single will be housed in a picture sleeve featuring exclusive artwork by [Richey Beckett](#), who also created the cover image of the *Cold Dark Place* EP.
