Liam Gallagher To Perform Live On CBS TV's [The Late Late Show With James Corden](#)
On October 9

September 28, 2017 (Burbank, CA) – Liam Gallagher continues to build anticipation for his debut solo album *As You Were* – to be released on October 6 via Warner Bros. Records - by sharing a video today for the latest album cut “Greedy Soul.” Filmed at London’s AIR Studios, the video finds Gallagher in imperious form featuring his unmistakable vocal delivery bristling with relentless energy and fiery attitude. Complemented by his extraordinary band, their brand of soulful rock ‘n’ roll is charged by a brass section and pair of backing vocalists.

Written by Gallagher and produced by Dan Grech-Marguerat, “Greedy Soul” is one of many anthems that are about to be unveiled on *As You Were*. Along with recent tracks [“Wall of Glass,”](#) [“Chinatown”](#) and [“For What It’s Worth,”](#) “Greedy Soul” has just been added as an instant download for fans who pre-order the album from <https://wbr.ec/liam-store>.

The return of Liam Gallagher has instigated a massive public rediscovery of one of the greatest voices of an era. After releasing “Wall Of Glass,” Gallagher’s first solo gigs ranged from emotional scenes in his hometown of Manchester, to triumphant sing-a-longs at this year’s Glastonbury Festival, and packed secret club shows in New York City and Chicago that won’t soon be forgotten by those lucky enough to get in. That momentum was heightened with the release of “Chinatown” and “For What It’s Worth” – the latter of which prompted *NME* to state: “Liam goes full Oasis ballad on this emotive powerhouse of a tune. One for festival fields and arenas.” The accolades don’t stop there:

“I’ve got no idea what it means – but it sure sounds good, doesn’t it?” - *Spin*

“*As You Were*’ stands as proof that rock’s most charismatic general is back on active service and spoiling for trouble. How we’ve missed him.” – *Q Magazine (U.K.)*

“Gallagher snarls over raucous power chords, pounding drums and wailing harmonica. ‘Wall Of Glass’ pairs a vintage Oasis attack with modern production sheen.” – **Rolling Stone**

“It’s by some stretch the best Liam-fronted material in two decades... a genuinely iconic voice amid strong material.” – **Mojo Magazine (U.K.)**
