As also previously announced, the newly relaunched [Revolver Magazine](#) is out on newsstands nationally now and features Mastodon on the cover. There are four different covers, each featuring a member of

Mastodon. When all four covers are placed together side by side, a single image of the full band is created. Click [here](#) to view all four covers. *Revolver* subscribers will receive an exclusive and very limited-edition 7" vinyl single with their paid order. The A-side is the version of "Toe To Toes" from *Cold Dark Place*, while the B-side is a previously unreleased instrumental version of the track. The single is housed in a picture sleeve featuring exclusive artwork by [Richey Beckett](#), who also created the cover image of the *Cold Dark Place* EP.
