Los Angeles, CA (October 13, 2017) - Multi-platinum, international recording artist and songwriter Josh Groban will release a deluxe version of his beloved Christmas album *Noël* on CD and all digital formats on November 3, 2017 via Reprise Records. The album can be pre-ordered [HERE](#).

Originally released on October 9, 2007, this Grammy-nominated holiday recording remains one of the best-selling Christmas albums of all time, selling over 7.5 million copies worldwide. The new album will consist of the original 13 tracks with an extra six new songs, including four brand new, never before released recordings:

- **White Christmas** - a gorgeous, brand new recording with a full 70 piece orchestra recorded in Abbey Road, London.
- **Christmas Time Is Here** - duet with the legendary Tony Bennett. This incredibly famous, cross-generational song from “A Charlie Brown Christmas” will surely be a hit at family Christmas parties.
- **Have Yourself A Merry Little Christmas** - following Josh’s platinum album *Stages*, he wanted a holiday song that matched the theme of *Stages* and found that in this famous Christmas song from the show/film *Meet Me In St. Louis*.
- **Happy XMas (War is Over)** - the poignant, classic Christmas song written by John Lennon & Yoko Ono with a powerful message that seems more relevant now than ever (fans who pre-order the new album will receive this song as an instant grat track TODAY).
- **Believe** - the Academy Award-nominated song from the *Polar Express* film soundtrack, never before available on a Josh Groban release.
- **O Holy Night** - a song from the 2002 CD/DVD that was never before released digitally.
