December 14, 2017 (Burbank, CA) - Paul Weller has released a new video for the track “Alpha.” The instrumental blues-infused track is taken from Weller’s deluxe edition of his current internationally acclaimed album *A Kind Revolution*. The video stars U.K. actor Jay Simpson slowly losing a grip on reality. “Alpha” is featured on the third disc of the *A Kind Revolution* deluxe 3-CD edition release.

Weller recently completed his most successful and memorable U.S. tour on October 27, in Los Angeles. His international tours in Japan, Australia, U.K. and Ireland begin in Osaka on January 19, 2018, and conclude on March 3 at the O2 Arena in London, which is his biggest U.K. headline date in years.

Weller remains among the most celebrated and awarded musicians in British music history. *A Kind Revolution* - his 12th solo album - continues to redefine his ever-expanding musical vision that sounds completely new and yet familiar with each new release:

“An excellent set of 10 richly-detailed yet uncluttered songs which prolong his creative renaissance... carefully crafted settings updating his classic sounds with some exquisite playing.” – *Associated Press*

“Weller hasn’t been this melodic since his Style Council days. If *A Kind Revolution* is a gentler offering than his last few albums, it retains the spark and vitality that has seen the man’s recent output match his best.” – *The Sunday Times (U.K.)*

“In true Weller fashion, there’s no one particular sound on the album. It’s diverse with many different styles and themes.” - *HuffPost*

“*A Kind Revolution* is a testament to his industriousness but also his restlessness. Paul Weller will always find a way to change himself into something new.” – *SPIN*

“This is a master craftsman, who knows how to cobble together a verse, chorus, bridge and middle eight as well as any McCartney or Bacharach.” – *Uncut (8/1 – U.K.)*

One of the album best loved tracks, “One Tear,” is now available as a 12” vinyl EP of remixes featuring the intertwined vocals from Boy George.

The “One Tear” mix bundle track-listing is as follows:

1. One Tear – Black Petal Remix – Thomaas Banks
2. One Tear – Travesty Remix – The Meeq
3. One Tear – Club Cut Remix – Prof. Kybert
4. One Tear – Instrumental
